

INVOCATION TO NULLIFY THE WRATH OF THE ENEMY AND RELEASE THE WRATH OF OUR HEAVENLY FATHER

In II Kings, chapter 3, there is an account of how the Kings of Israel, Judah and Edom went to war against Moab and defeated them and ruined their territory. In the land of Moab they cut down the fruit trees, stopped the springs of water, covered the arable land with stones and razed the towns and villages. The king of Moab and his surviving people were surrounded in the royal city under siege. They tried to break out with using their cavalry but failed. In desperation the king of Moab did a very potent, but very costly act of witchcraft:

“Then he took his oldest son who was to reign in his place and offered him for a burnt offering on the wall. And there came great wrath against Israel. And they withdrew from him and returned to their own land.” II Kings 3:27 ESV

Now Christians should not practice witchcraft, but this does suggest an effective and legitimate counter measure and a potent weapon and strategy in our divine arsenal. What the king of Moab did was a perverse counterfeit of the sacrifice God the Father made when Christ was crucified for us on the cross at Calvary. This tells us that the passion of Christ not only stayed the wrath of God on those who believe but invokes it on those who refuse to believe. There is no one more guilty of rejecting the grace of God through the atonement of Christ than those who follow the devil, practitioners of witchcraft, satanists. Those witches and warlocks are also engaged in a militant campaign to destroy the church and have largely confined believers to their final refuge as was the case with Moab. The elements of the oppressive attacks on the church include:

1. stopping the springs of water - literally cutting believers off from the fountains of living waters through the infection of unbelief.
2. cutting down the fruitful trees - reducing, breaking down and even destroying Christian families.
3. defiling arable land with a layer of stones - diminishing, plundering and making barren the temporal, mental and spiritual prosperity of believers.
4. razing the villages and towns - suppressing and eventually destroying the practice of the Christian faith in homes, communities, civic organizations, corporations, and the state.
5. Laying siege to the capital city - besieging the corporate church so that it can neither go about in the community fulfilling the Great Commission, nor can the broader community supply the church with necessary resources as God ordained they should do. **Note: Christ said the gates of hell will not prevail against His church. So, the enemy cannot conquer the true church. Yet, if the church does not do battle against the hosts of hell, they leave the rest of the world to the devil’s predations.¹**

Take a lesson from this and invoke the sacrifice of our Heavenly Father who let the Prince of Peace be crucified for our salvation. Praise God that Jesus Christ is now King of Kings!

¹ Matthew 16:18

DECLARATION TO NULLIFY THE WRATH OF THE DEVIL ON BELIEVERS AND INVOKE THE WRATH OF GOD ON HIS ENEMIES

“As the King of Moab sacrificed his heir to invoke a terrible wrath on the Lord’s armies, my Heavenly Father sacrificed His only begotten Son, the Prince of Peace, to nullify the wrath of the devil on His inheritance, the Church, and invoke His wrath on those who oppress us. So, I invoke the greater wrath of God on His enemies who oppress me and mine by the blood of the Lamb of God, shed for the remission of our sins and to give us His righteousness. Let the enemies of God and His people be scattered from their camps about me and mine and their siege against us lifted and ended permanently. Let my dominion in Christ be liberated and all the vandalism by the armies of hell be repaired and the goodness of my dominion be restored without delay, diversion or mitigation. The perfect sacrifice of my Heavenly Father nullifies every blood sacrifice made by the enemy against us. The wrath of the devil is turned back against all his agents.

- 1. After the pattern revealed in II Kings chapter 3, I declare that the fountains of living waters in my domain are unblocked, cleaned and refreshed as unbelief is replaced by pure and complete faith. The steams of power and provision in the enemy’s domain are poisoned, dried up and permanently blocked with the chief cornerstone, Christ, which they cannot move or alter in any way.**
- 2. I declare that my family tree is restored to full and luxuriant fruitfulness and will never again be reduced or harmed by the enemy in any way. The houses of the enemy’s people, small and great alike, are laid waste, utterly barren and never to rise or be replaced again.**
- 3. I declare that the Lord of Hosts rebukes the devourer and all the works of the devil to despoil, degrade and make unfruitful my material, mental or spiritual prosperity, they are destroyed and reversed. Therefore, I am prosperous and beyond the hand of the elemental things, demon, beast, man or angel to do harm to me or what is mine. The Lord is a hedge about me as He was for Job in his latter days.**
- 4. I declare that all works of the devil to undermine or destroy my faith and those of my household are made impotent and their effects nullified. Our faith is restored to the full measure the Lord gave us, and shall be built up from there without delay, constraint or limitation. The wrath of God is upon them to utterly annihilate their confidence if their master, the devil, and in their own abilities. Their eyes are opened to see the futility of sin and the certainty of the triumph of righteousness over evil through the passion of Christ.**
- 5. I declare that the sieges of the enemy against both me and mine and the greater body of Christ are lifted and may not be reinstated. We are free to both come and go, receive and impart all that the Lord has given to us and given us to do: discover, invent, build, plant, extract, transform and prosper in every way. It is the enemy who is besieged by the angels and the people of the Lord. They are**

confined to her strongholds, and those strongholds shall fall into our hand like grapes from the grape vine! We shall conquer and plunder them easily and completely.

For it is written:

'So whatever you wish that others would do to you, do also to them, for this is the Law and the Prophets.' Matthew 7:12 ESV

Similarly, it is written, *'When they were few in number, of little account, and sojourners in it, wandering from nation to nation, from one kingdom to another people, he allowed no one to oppress them; he rebuked kings on their account, saying, 'Touch not my anointed ones, do my prophets no harm!''* Psalm 105:12-15 ESV

Therefore, as they have tried to do to me and mine, it shall be done to them in full measure, for they have touched the Lord's anointed and harmed His prophets. In Christ's Name, amen!"
